12. The extent of the dry plot will be about twice that of the wet one.

13. The purchaser will be bound to bring the wet plot fully under cultivation within the expiry of three years from the date of purchase; failing which, the plot will summarily be resumed to Government without any compensation. In exceptional cases and for adequate reasons, the period may be extended by one more year. The wet land and its corresponding dry land should always be held by the same holder and no alienation, resignation or resumption of one of them will be recognised as valid and binding on Government which does not in the same manner and to the same extent affect the other corresponding land.

14. The assessment and water rate will be levied on the wet land as follows:—

1st year one-third, 2nd year two-thirds and 3rd year and thereafter full assessment and water rate. The water rate will be Rs. 5 per acre. The useful local and irrigation cesses will also be levied at one anna in the rupee and the railway cess at half an anna. Full dry assessment will be levied on the corresponding dry land from the date of purchase together with Local and Railway cesses.

15. Cultivation will be allowed subject to the Rules of the "Block System." They are briefly:—

(*a*) Only one-third of the land should be cultivated with "Thari" (wet) and the rest with "Thadi Crops" by rotation. *N.B.*—Sugar-cane and garden crops are classed as "Thari." In the case of water-logged lands a slight deviation will be made subject to the payment of an extra water rate of one rupee per acre.

(*b*) Canals will run intermittently during the months of July, September, October and November and continuously during August, December, January, February March and April and will be closed during May and June.

16. Any alienation of the land by the purchaser by sale, gift, mortgage or otherwise within the expiry of the period of three years will not be recognised by Government and in case of such alienation the lands will be liable to be resumed to Government at the risk of the subsequent purchaser and free of all encumbrances.

17. Besides these, the auction purchaser will also be bound by the other conditions specified in Government Orders Nos. R. 5724-34—L. R. 194-13-10, 1565-9—8100-4 and 1473-6—7662-5, dated 31st December 1914, 25th August 1914 and 2nd August 1915, respectively. The Government reserve to themselves the right of passing such other orders from time to time as they deem fit to promote the expansion of cultivation under the channels.
